

As a new initiative the Council have decided to launch an incentive for all members.

Each month a random number will be chosen from all of the members and that member will win a T-shirt and another prize. For the first few months this will be a Koi DVD and other prizes will follow after that.

We hope that members will enjoy the thrill of this lottery every month and it will become a popular part of the BKKS Extra pages within Koi Magazine. Members will be informed directly to claim their prize so that even those of you who don't subscribe to the magazine will know if you win.

Good luck!
